

## CURRICULUM VITAE

---

### JUSTINE ABENAITWE

#### Qualitative Research and Evaluation Specialist

Email: [jabenaitwe@gmail.com](mailto:jabenaitwe@gmail.com) | Phone: +256773021407

### PROFILE

---

Justine is a qualitative researcher and evaluation specialist with over 10 years of experience working on public health, and development programs in sub-Saharan Africa. Has led and contributed to multi-country assessments for organizations including UNICEF, GIZ, and IFC, with substantial experience in immunization programs, HIV prevention, livelihoods interventions, and youth economic empowerment. She is also skilled at engaging diverse stakeholders and synthesizing complex qualitative data to produce comprehensive evaluation findings. Strong ability to build relationships across government, community, and organizational levels to ensure quality data collection and meaningful stakeholder participation.

**Core Competencies:** Cross-cultural research methods | Field research coordination | multi-stakeholder engagement | Qualitative data analysis and interpretation | In-depth interviewing and focus group facilitation | Proposal writing

### EDUCATION

---
